

# Simple Stone Care Products

www.simplestonecare.com

## Made with pride in the USA

**Simple Stone Care, Inc.** has been manufacturing the highest quality Stone Care Products for all natural and engineered stone right here in the USA for many years! We proudly offer the technical expertise necessary to solve problems.

**Simple Stone Care formulates and manufactures all of our top quality Care, Restoration and Polishing products in our facility in New York.**

You may be familiar with some of our most popular products such as our **Stain Eater** (make sure you see the All American baseball cap), **Rust Remover Powder and GEL**, **Multiclean**, **Superseal**, **Marble Poultrice**, **Sparkle**, **Dr. Sal's Magic Creme**, our **NATURAL STONE CARE HOMEOWNER'S CARE KIT**, **Stone Polish Spray**, **5X Powder**, our **Brand new Paste Wax without carcinogens** and so many more. We are constantly adding new products to our line as the market dictates. All of our products are either in-stock or will be manufactured within a day upon receipt of your purchase order. Simple Stone Care also manufactures quality Epoxy products. These are just a few of our products:

Please call us at 516-719-0510 or email [danielle@simplestonecare.com](mailto:danielle@simplestonecare.com) for our catalog and price list.

**Simple Stone Care** looks forward to adding you to our Dealer Network and for your continued business. It is our pleasure to serve all of your **STONE CARE NEEDS**. Please address and email all Purchase Orders to [danielle@simplestonecare.com](mailto:danielle@simplestonecare.com) or fax to Danielle 516-719-0511.
